Re: Application of BullsEye Telecom, Inc.  
for Authority to Provide Facilities-Based Local Exchange  
Telecommunications Services; Docket No. 03-00126

Dear Chairman Kyle:

An Application for a Certificate of Convenience and Necessity was filed in February by BullsEye Telecom, Inc. ("BullsEye" or "Applicant"), which is seeking authority to provide facilities-based local exchange telecommunications services in Tennessee. The first page of the Application should have included resell authority as being sought, in addition to local exchange and exchange access. Please accept the enclosed substitute page of the Application.

An original and fourteen (14) copies of this letter and the substitute page are provided. Please date-stamp one copy and return it to the undersigned. If you have questions regarding this matter, or if you require additional information, please give me a call at 252-2302.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
